Manager: Ciro Ros Owners: Steven & Michele Cohen  
**Salesperson & Specialist in Animal Nutrition**  
  
I have become very comfortable with customer service as well as suggestively selling products that certain people would be interested in. I also have become very knowledgeable about animal nutrition and how to aid certain ailments with food and supplements. I am a key-holder in charge of both opening and closing the store, and also became in charge of ordering the food for the store.
